

Voices for Humanity VIRTUAL LUNCHEON 2021

CORPORATE SPONSORSHIP

Join the Holocaust Center for Humanity for the 17th annual Voices for Humanity Virtual Luncheon.

The Center challenges students, teachers, and the community to explore issues of discrimination, intolerance, civic engagement, and the difference one person can make. In today's ever-changing world, we know that Holocaust education can create more tolerant citizens. **Together, through education, we can bring positive change to our community.**

Why Become a Corporate Sponsor in 2021?

By sponsoring the **Voices for Humanity Virtual Luncheon**, your company will make a positive impact on the local community, while increasing your brand awareness through a philanthropic lens.

In 2020, the Center saw first-hand how a virtual platform can amplify your brand to an even greater audience. Over 1,000 individuals from all over the country registered for the 2020 Virtual Luncheon. The Center strives to work with your company to think beyond a transactional sponsorship and connect your employees with meaningful opportunities through virtual or in-person tours, speakers, and/or trainings to create a more tolerant workplace.
